

PURDY ELEMENTARY SCIENCE FAIR 2016

This year's Science Fair will be Thursday, March 10th from 6-7pm. Kindergarten thru 5th grade students interested in participating should fill out a Registration Form and return it to Ms. Troyer by Thursday, January 28th. Participation in the Science Fair is optional for all students and will not be graded for concepts on the report card. However, students may earn a '4' in effort for completing an exemplary project.

Half size display boards will be for sale for \$2, on a first come first served basis, beginning February 1st.

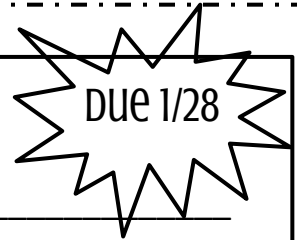

The Science Fair Handbook and other guidelines are available by request from Ms. Troyer or online at: <http://purdypantherscience.weebly.com/>.

If you have any questions, feel free to contact Ms. Troyer at troyerj@psd401.net.

Please look for other Science Fair updates coming home! Thank you for your support!
